HOW TO USE CHILL SKINZ:

- Saturate or soak with any temperature water from any source (tap, pool, fountain, bottle, river, etc.) before use and squeeze out excess.
- Shake or wave to activate & place on heated body area. Simply wave every 20-30 minutes to keep it cool.
- When not in use for less than 3-4 weeks, fold while moist & place in any ziplock bag. Anti-Microbial bath helps prevent mold or mildew. If not going to be used for over 3-4 weeks, fold while moist & allow to dry out completely prior to storing.

CARE INSTRUCTIONS:

- Rinse before and after each use.
- When finished with use, while moist, fold and place in any ziplock bag. If not going to be used for over 3-4 weeks, fold while moist & allow to dry out completely prior to storing.
- DO NOT fold when it is hard, simply wet the to soften.
- If it begins to dry out or becomes totally dry, simply dip back into any water source & shake or wave again.
- Machine or hand wash separately with mild soap or detergent. Do not put in the dryer.
